

Dear Dearborn Scholarship Applicant,

We are happy to have your interest in our program. I would like to emphasize that we are looking for very special people; the future inventors, innovators and leaders of our country, students with a scientific mind, strong background in the basic principles of physics and who excel in problem solving and logical reasoning. This includes those majoring in physics, chemistry, chemical engineering, electrical engineering, mechanical engineering and nuclear engineering. Below is an explanation of the phases of our program:

PHASE I: Completion of the attached application for a Dearborn Foundation Scholarship. **Applications must be handwritten in black ink and be legible. If the application is not easy to read it will not be considered. Applications must include the most recent official copy of the student's transcript as well as a letter from the professor recommending the applicant.**

PHASE II: The school recommending the applicant will administer a mechanical aptitude test, the results of the test will be forwarded by the school at the time the application is submitted. Contact the chairman of the department that is recommending you for the date and time to take the test. The Foundation will then review the entire application package including the results of the mechanical test and if the applicant meets the criteria he/she will be notified to take an interest and aptitude assessment on the internet.

PHASE III: If the applicant and the "test" results meet our expectations the information will be reviewed by the Selection Committee. If the applicant lives within a reasonable distance of the Foundation's office, they will be asked to meet for a personal interview.

Phase IV: After the Selection Committee has completed a review of the application, testing results and interview (if possible), their recommendations will be forwarded to the Board of Directors for the final decision on the granting of the scholarship.

Applications must be received by March 1st to be considered for the following academic year. Applicants will be notified by the first week in May of the decision by the Board of Directors.

We look forward to receiving your application.

Sincerely,

Howard K. Dearborn

THE DEARBORN FOUNDATION

SCHOLARSHIP APPLICATION

PERSONAL INFORMATION:

Name _____ Social Security # _____

Home Address _____ Home Phone _____

_____ Cell Phone _____

_____ Email _____

School Address _____

Are you a U.S. citizen? _____

Town and State of Legal Residence _____

FAMILY INFORMATION:

Applicant lives with: Both Parents ____ Mother ____ Father ____ Other ____

Name of Father _____

Address _____

Occupation _____ Employed by whom _____

Name of Mother _____

Address _____

Occupation _____ Employed by whom _____

Name of Legal Guardian _____

Address _____

Occupation _____ Employed by whom _____

Total number of persons in the family (household) including yourself _____

Number of parental dependents _____

Number of family in college next year _____

Your financial contribution _____ (optional)

Estimated help from your family _____ (optional)

INCLUDE A SEPARATE SHEET OF PAPER, IF NECESSARY

SCHOOL INFORMATION:

Name of high school from which you have graduated or will graduate and year of graduation _____

Name of college you are attending or have graduated from and year of graduation _____

INCLUDE AN OFFICIAL COPY OF YOUR TRANSCRIPT

What elective subjects did you choose to complete?

What special classes have you taken on any subject?

List any school honors, prizes, awards, activities and any special interests during your years of attendance.
